Foreword

In selecting the theme "Around the World" for the 1958 edition of "The Riparian," we have desired to portray the idea that there is a parallelism between school life at G. C. H. S. and that which is found in our world today.

We believe we have found our world at Greenville County High, where the knowledge we have gained and the friendships we have made will enable us to seek greater things in life.

From time to time we shall reap the benefits which we have achieved, and because of them we will be richer in honesty, ambition, sincerity, talent, courage, hope and be better world citizens.

Realizing that high school days for the Senior Class of 1958 are soon lost to be recalled only in future days, we present this Riparian to portray in words and pictures our fondest memories.

SCENES AROUND SCHOOL

Miss Johnson teaching History

Miss Johnson is Tri-Hi-Y Sponsor and member of the state M.G.A. Committee.

Thinking back over our high school days at Greenville County High, we could never forget one who has been our friend and given us courage, insight and understanding. She is the student's answer to prayer in the way of a sympathetic and capable instructor. Her ready smile and willingness to help have always been an inspiration to us.

During the years she has become an outstanding citizen of Emporia and a beloved part of G. C. H. S.

It is but an humble effort to show our appreciation for her unsurpassed guidance and patience that we, the Senior Class of 1958, wholeheartedly and gratefully devote our most precious memory, "The 1958 Riparian," to Miss Trixie Johnson.

Salute To The Faculty

Realizing that the time is almost here when we shall go out into this wide wide world to face hardships unbelievable to us now, to prove ourselves worthy citizens, and to test our past training, we find that we shall not have much difficulty for we have been trained by an extremely well qualified slate of instructors.

We salute you, faculty, for your patience, for your guidance, and for your untiring efforts in helping us enjoy life as well as preparing us for it in the future. We deeply appreciate your time, your seriousness, and your capability.

Thank you,

The Seniors of 1958

Senior Class History

As we, the Senior Class of 1958, approach the long-awaited day of graduation, we look back with happiness upon all the things accomplished and with regret upon all of the unfulfilled opportunities.

Having the honor of being the first eighth grade entering the new school made high school seem even more important. To help us realize this new importance and accept its responsibilities, we had an excellent slate of officers. John Driver as President was aided greatly by Vice-President, Jack Lucas; Secretary, Jean Allen; Treasurer, Tommy Williams; and Reporter, Carole Harding. One of the largest projects was our first class dance, "Bonnet Hop", and our first year in high school was climaxed with a picnic.

During our Freshman year, we were quite excited for in that year we had an informal Christmas dance. The class and officers, Reporter, Alvin Bradley; Treasurer, Sammy Jones; Secretary, Jean Allen; and Vice-President, Jack Lucas, backed our President, Tommy Williams, the entire year. Our Freshman year was also ended with a large class picnic.

Our Sophomore Class was led by Sammy Jones, President; Jack Lucas, Vice-President; Jean Allen, Secretary; Ellen Powell, Treasurer; and Carole Harding, Reporter. Our main project for the year was a dance, "Be Bop Ball", and as the year ended, we were thrilled for we knew that the next two years would be the most important ones in our high school career.

As we began our Junior Year, we were quite excited for we had truly become high school students. Our class was led by Jack Lucas, President; Tommy Williams, Vice-President; Jean Allen, Secretary; Ellen Powell, Treasurer; and Katharine Davidson, Reporter. This year was spent primarily in raising money for the Junior-Senior Banquet and Prom. While engaged in fund raising, we staged a minstrel, "The Junior Class Minstrel and Revue", that was a huge success. The theme of our Junior-Senior Prom was "Southern Enchantment" and every effort was put forth to make it the most memorable and enjoyable ever. Our Class rings arrived in time for the Prom, and we were quite proud of them. The election of Sammy Jones as Vice-President of the S. C. A. gave us our first officer in this organization. At the year's end, we were agreed that our work was not in vain, that our Junior year had been a success.

Our Senior Year has been the best of all the years, the primary reason being our wise

choice of competent officers. They were Tommy Williams, President; Katharine Davidson, Vice-President; Martha Skinner, Recording Secretary; Peggy Harrison, Corresponding Secretary; Ellen Powell, Treasurer; and Mollie Lambert, Reporter. These officers were responsible for many special and momentous occasions which we shall never forget.

In the early fall, our class had the honor of having Katharine Davidson as Homecoming Queen, and Carole Harding as Maid of Honor, with Ellen Powell and Jean Allen as Senior representatives. The election of Sammy Jones as President of the S. C. A.; Jean Allen as Recording Secretary; Katharine Davidson as Corresponding Secretary; and Wilbur Hobbs as Treasurer gave the S. C. A. the right start for the New Year.

During December our class played host to the Seniors of Jarratt and Brunswick High Schools for College Day, where our plans for the future were discussed with the college representatives.

Finally, the long-awaited trip to New York was taken during the early spring after so many months of working, planning and hoping. Everyone marveled at the wonderful sights and experiences about which we had heard so much.

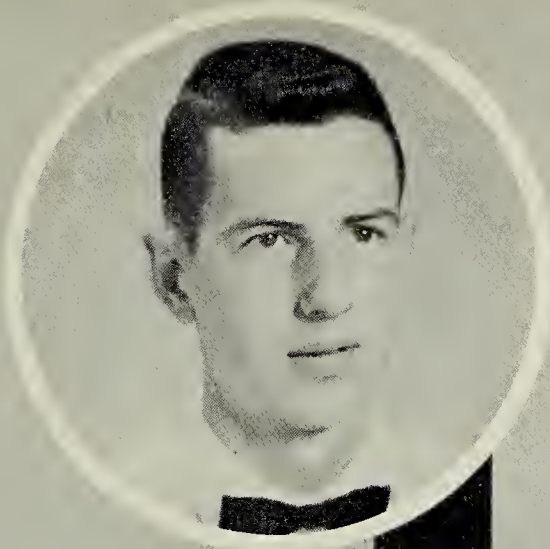

When the Annual arrived, much praise and appreciation was given to Ellen Powell, Editor; Stevie Starling, Assistant Editor; Peggy Harrison, Business Manager; Carole Harding, Assistant Business Manager; Feature Editor, Martha Skinner; Assistant Feature Editor, Katharine Davidson; and the other editors.

Officiating over the town for a day with officers elected by the class was another wonderful opportunity of our Senior Year.

As our school year, 1958, drew to a close, we were paid a tribute by the school with the annual Senior Day and for their enjoyment we presented our program that afternoon. The Juniors honored us with a Junior-Senior Prom that will live in our memories always. Commencement ended a year of never-to-be forgotten honors, events and successes for the Class of 1958.

As can easily be seen, the high school years of the Class of 1958 were quite exciting and passed quickly. There were failures as well as successes, but at graduation we were both ready and eager to meet the challenges of the world for we had the one thing so necessary for our success, a High School Diploma.

"UNFORGOTTEN MEMORIES"

It has been not so long ago
That we decided then to go
To the top 'spite force and foe.

Although frightened and sometimes shy,
Often even made to cry,
We knew that to make it, we had to try.

Perhaps it was just by chance
That our Freshman Christmas Dance
Left us in a "whirling" trance.

And then do you not recall,
As Sophomores, our Be-Bop Ball,
With the king and queen and all?

Even with such little rest,
We all did our very best
To make our Minstrel a "huge" success.

In our dreams we'll always save
The "Junior-Senior" prom we gave,
That really made our guests to rave.

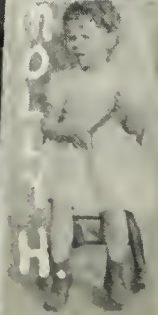

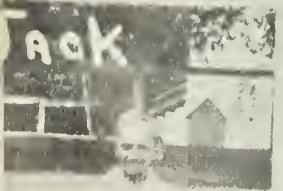

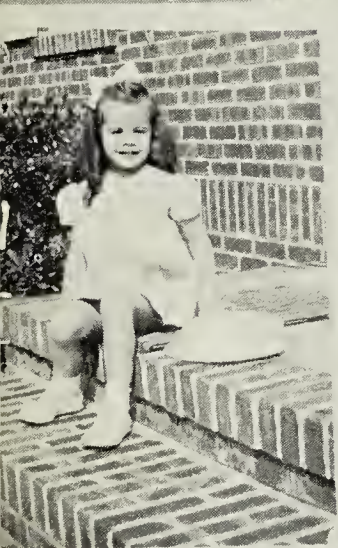

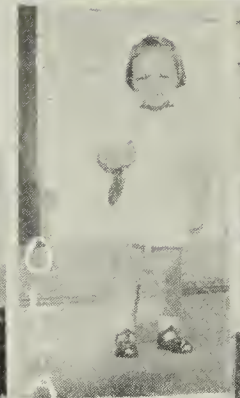

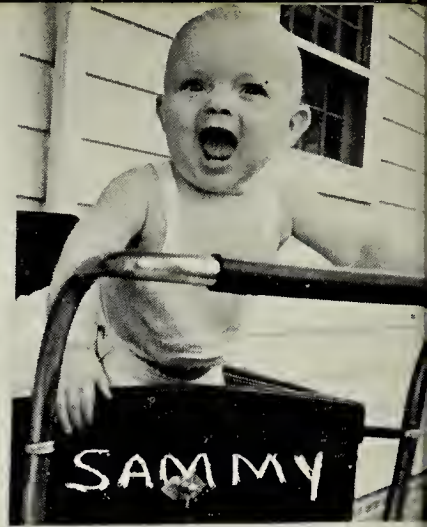

Then with laughter came our Senior Play,
Which now we can so truly say
Was the very best in every way.

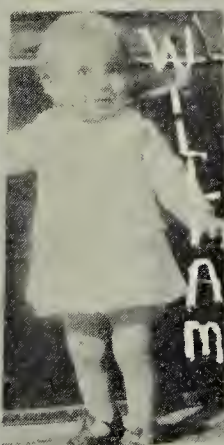

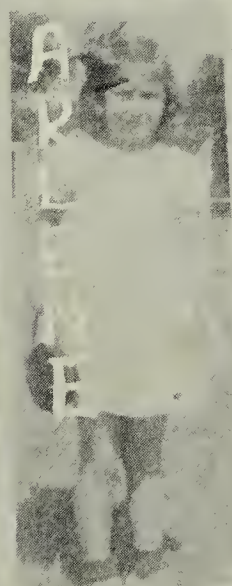

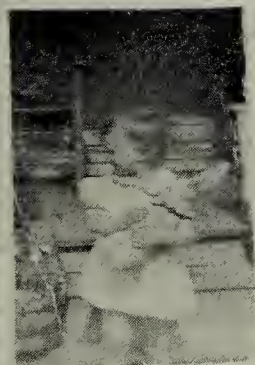

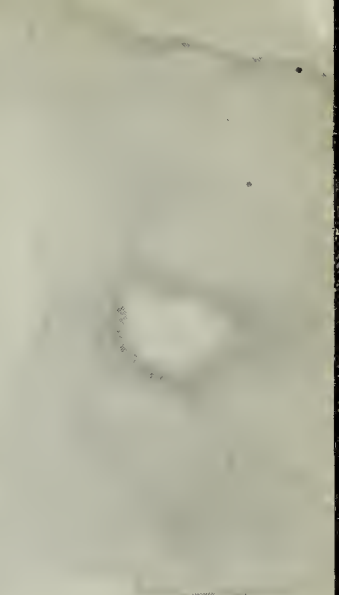

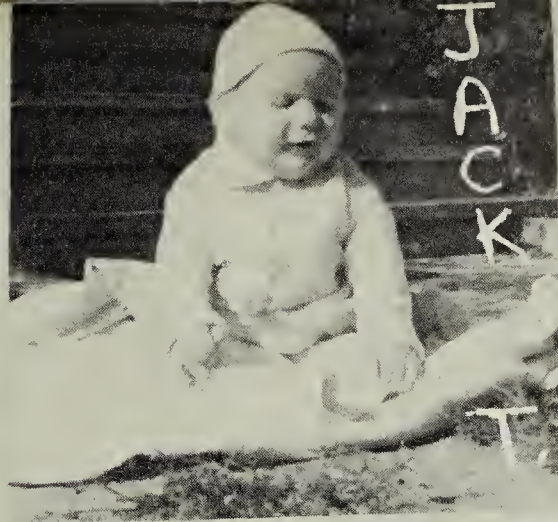

The New York trip was really "cool,"
And tired Seniors 'turned to school
Without breaking a single rule!

To graduate we had to stop
And, with diplomas we dared not drop,
We found that we had reached the top!

These are memories not forgotten,
Where this Class has slowly trodden.

In Memoriam

It is to George Duncan that we pay tribute. Sometimes years pass after a person's death before his virtues and true worth are recognized. We are happy to say this is not true of George. Those who studied with him, those who taught him, those who were his close friends can readily attest to his ambition of being a scholar. His absence from us will be an irreparable loss scholastically, since his name regularly appeared on the honor roll. We offer this last statement as a challenge to you--to whoever will accept it. The student body needs to be compensated for the loss of George, for before him lay a useful life that in the materialization of his dreams to attend college, would have brought honor to his school.

Greenville County

The Greenville County High School Band is an important part of the school. It provides enjoyment for all. The band now has an approximate membership of sixty.

The band is open to anyone expressing a desire to play an instrument and offers anyone an excellent opportunity to participate in school activities.

Some of the activities of the band during the year were: paraded and marched at the football games, was in the Christmas Parade at Petersburg, gave a concert for the public, played before some student body assemblies and participated in the Apple Blossom Festival in the Spring. For the first time in our high school history, some of our members made the All-State Concert Band. We salute our band for its many achievements this year.

Varsity And Jr. Varsity Basketball

OUR VARSITY

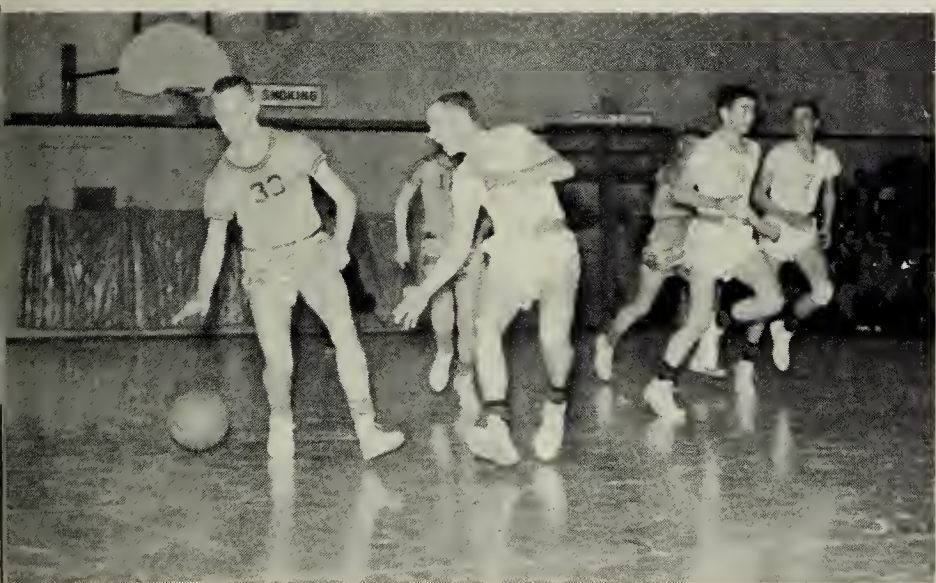

We are proud of our basketball team this year because they have made a very good showing. Our coach has done a very deserving job in uniting experienced and inexperienced boys into a well rounded team. We hope to enter our team into the tournament where we are sure that they will do their best.

OUR JUNIOR VARSITY

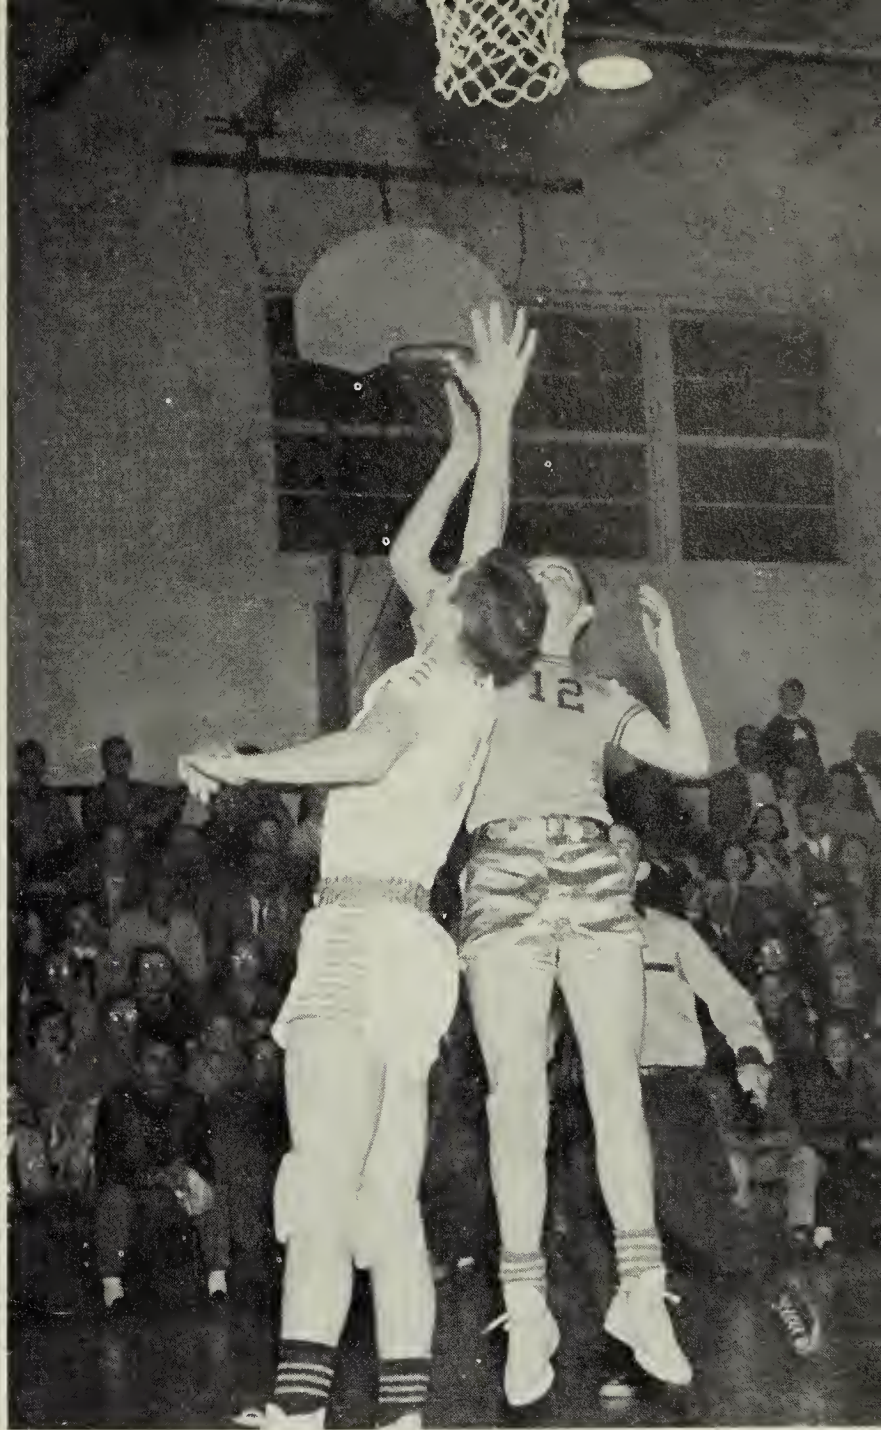

We are most proud of our Junior Varsity team this year as they, at this point, have won thirteen games and lost one. Their coach, Roland E. Cobb, has said on several occasions, "I never thought we'd go this far, until I saw the desire and hustle the boys had." Our Emporia Junior Varsity can be greatly complimented for their desire and teamwork.

Jr. Varsity Basketball Squad

THE 1957 TRACK TEAM

Emporia did very well in track this past year as it was the first team here in a good while. They had only two meets, one of these being a 4 team meet with teams from Bluestone, Brunswick, Emporia, and Randolph Henry competing. Emporia placed second with Sam Jones and Bill Tillar placing first in the low hurdles. Zeke Zimmerman and Billy Gill excelled in the shot put. We are looking toward a better track team this year as the boys will be more experienced.

THE 1957 BASEBALL SQUAD

The Eagles had a pretty good season winning eight games and losing only four. Those playing were: Gill, Rice, Rawlings, Taylor, Temple, Spence, Jones, Sodergren, Brett, Grizzard, Hobbs, and Lee.

The team will miss the seniors, but their prospects for a winning team in 1958 are very good.
